Non- Caustic Traffic Film Remover

Technical Data

A heavy-duty vehicle cleaning liquid for cleaning bodies, alloy wheels, chassis, tilts and taut liners on commercial vehicles, cars, vans & bikes. Designed for use through mechanical power wash systems. Highly concentrated and may also be used to clean machinery, floors, walls, asphalt. Special formula removes co polymer waxes in new vehicle production. Excellent non-acid alloy wheel cleaner.

DIRECTIONS FOR USE:

Hand washing dilute up to 1 part to 20 parts water High pressure washing dilute up to 100 parts water depending on degree of Soiling involved. Used at correct dilution will not bloom or streak on drying. Caustic free vehicle cleaning formulation.

Available in 25, 205 litre plastic containers
