

Description

Airline Oil FS is a food grade, non-toxic lubricant developed for pneumatic airline systems used on food, drink and pharmaceutical processing and packaging equipment. Also suitable for other compressed air systems where a clean, non-staining product is desired.

Benefits & Features

- Low coefficient of friction provides excellent lubrication and reduces wear
- Clean and non-staining features keep rejects to a minimum
- Protects against air moisture and provides a high degree of internal corrosion protection
- Reduces residue and scum build-up extending maintenance intervals
- Overcomes difficulties associated with vane scorching

Directions for Use

Airline Oil FS is suitable for all types of pneumatic airline installations. Follow manufacturer's instructions. Where application is made manually, Airline Oil FS needs to be applied daily and reapplied just before equipment is shut down.

Technical Data

Appearance:	Clear fluid
Base Fluid:	Synthetic oil
Viscosity:	ISO grade 22
Specific Gravity:	0.85
Temperature Range:	-20° to 150°C
